

Maximize Your Revenue Opportunities with a High-quality Viewing Experience

The Galaxy 19 Neighborhood Delivers Instant Access to North American Viewers

The Galaxy 19 neighborhood is the largest independent direct-to-home (DTH) TV and radio community in North America.

The Galaxy 19 community is designed to connect millions of North American viewers with diverse multicultural and faith-based programming originating from more than 60 countries in 30 languages. It empowers you to:

- Grow your audience, not your cost
- Guarantee a quality viewing experience with satellite reliability
- Connect with an engaged audience that has grown consistently over 15 years

Intelsat, in collaboration with its partners, provides content programmers with the most efficient media distribution system in North America. The Galaxy 19 neighborhood is a single, reliable distribution solution for the U.S., Canada and Mexico that ensures your viewers can easily find and watch your SD and HD content.
